Grant of Consolidated Allowance of Rs 30/- p.m. to Mr. Ameer Khan, Accountant of the G.E. of Factory. 1920. Ite.

Continuation Sheet. File No. Current No. Page.

Letter No. 297 dated 10.9.1943 from the Govt. Director of Industrial Concerns stating that with the transfer of Mr Lakshmana Char - Accountant of the Govt. Electric Factory to the Industrial and Testing Laboratory, he has transferred Mr Ameer Khan - Accountant of I.T.L., to the G.E.F., and requesting that the Consolidated Allowance sanctioned to the G.E.F Accountants at Rs 30/- p.m may be granted to their present incumbents working as Accountant of the G.E.F. viz to Mr Ameer Khan.

The Govt Director of Industrial Concerns states in his letter No. 297 d 10.9.43 (P.W.D.) that the previous Accountants of the Govt Electric Factory were given a consolidated allowance of Rs 30/- per month and with the transfer of Mr T.S. 10/10/43 As per G.O of 23.7.41 in the file 45-7-60-3 does not indicate that the Consolidated allowance of Rs. 30 pm is attached to the post of the Accountant G.E.F. It was given to Mr D.G. Roy who was getting a pay of Rs. 130 p.m at the time. The allowance given should necessarily have some proportion to the pay. The officer is getting a pay of Rs 65/- However in view of the distance of the factory, a Consolidated allowance of Rs. 20/- may perhaps be given. Thus he will get from 65+20 or 85 (as 85/- more than what he was getting in the 1st).

OFFICE OF the Government Director,
Industrial Concerns.

Date 10th September 1943.

GOVT. 13 SEP. 1943

To

The Secretary to Government,
Development Department.

Sir,

I have the honour to state that I transferred in the interest of public service, Mr. G.Amir Khan, B.A., Accountant, Government Industrial and Testing Laboratory, Bangalore, to the Government Electric Factory, Bangalore, vice Mr. T.S. Lakshmanachar, Accountant, transferred from the Government Electric Factory to Government Industrial and Testing Laboratory and he reported himself for duty in the Government Electric Factory on the forenoon of 27-4-1943.

In view of his qualifications and satisfactory work he was recommended for the maximum pay of the Accountant's post in the Industrial and Testing Laboratory, viz., Rs.80/- and the Government, in their order No.D.3873-4/I&C 186-42-4 dated 10-12-1942, were pleased to fix his salary at Rs.80/- per month, and now he has been transferred to the Government Electric Factory, which is comparatively a large concern having over 790 workers with an annual output of Rs.6,30,000/-. The accounts of this factory are more complicated and heavy and owing to the alround increase in the activities of the factory due to war supplies, the work of the Accountant has increased considerably. Besides, this factory is situated in an out of the way place on Mysore Road without any facility of public conveyance and in fact, it is beyond a radius of 5 miles.

Mr. Ameer Khan is now drawing Rs.65/- in grade Rs.60-5-100 and as Accountant of the Government Electric Factory, he has to supervise the accounts and attend to heavy correspondence, I recommend that he may also be permitted to draw his grade pay plus the consolidated allowance of Rs.30/- per mensem which was allowed to the previous Accountants, Messrs. D.J. Raj and T.S. Lakshmanachar (vide Government Order No.D.396-7/I&C 459-40-3 dated 23-7-41).

I request that you will kindly obtain Government sanction to the allowance of Rs.30/- per mensem to him from the date he reported himself for duty at the factory.

I have the honour to be,
Sir,
Your most obedient servant,

Govt. Director,
Industrial Concerns.
